BUSES TO & FROM TASMANIAN NATIONAL PARKS

Including **THE OVERLAND TRACK**

往返塔斯马尼亚国家公园的巴士

PLEASE NOTE THIS SECTION IS ONLY CONFIRMED BOOKINGS IT DOES NOT MEAN WE WILL ONLY BE TRAVELLING ON THESE DATES, WE CAN GENERALLY TRAVEL ON ANY DATE YOU WISH

请注意本留言板只显示已确认的巴士预订，并不意味着我们只能在这些日期出行。我们通常可以在任何您想要的日期搭乘巴士

This message board is to help cut the cost of your journey by endeavouring to carry more passengers on any one journey, thus making it cheaper for everyone. In the section entitled 'Confirmed Bookings' you will find a list of dates that our buses will be going to a particular location including the day of departure, approximate time and the current number of passengers already booked. Many **departure times are negotiable** with other passengers particularly where the number of passengers shown is less than six as it is within their interest that other passengers travel at the same time. If a departure from Launceston is shown, we can **also** pick up at the **airport**, providing the pickup time is a minimum of 30 minutes & a maximum of 60 minutes after our departure from Launceston. **Please note where a booking is shown going to a particular destination, we can also pick up passengers at the destination and bring back to Launceston or another destination.**

这个留言板旨在增加每次旅行巴士搭载的游客数量，减少您的个人交通费用。在标题为‘确认的预订’这部分，您将看到一系列关于巴士要去某个地点的日期，包括在哪一天出发，大约时长以及当前已经预订的人数。很多出发时间是可以和其他乘客商量的，特别是当预订人数显示少于六人的时候，和他人一起出行能减少大家的交通费用。如果出发地点显示为朗塞斯顿，我们也能来机场接您，只要接您的时间在我们从朗塞斯顿出发后半小时到一小时之间。请注意，虽然预订表上显示从某地出发到另一个地方，我们也能把游客从目的地接回朗塞斯顿，或者另外的目的地。

NEW SPECIAL OFFERS

Every so often we have a situation where we take a group to a location where our return journey or an onward journey from this location would avoid the need for a bus to return empty – these days not exactly environmentally sound practice. As such where it is possible, we have decided to offer “Specials” These specials will have a set fare per person and in some cases a minimum number. We have highlighted these “specials” in yellow. Booking procedures are the same but you need to say you wish to take up a special offer and give the date. As bookings are taken we will add to message board.

STANDBY FARES TO LAUNCESTON FROM HOBART

Outdoor Recreational Transport provides transport primarily for bushwalkers and backpackers who visit many of our beautiful national parks. We are Launceston based, but occasionally we have to bring a group to Hobart from Lake St. Clair who have just completed the overland track or similar.

We usually arrive late afternoon and return to Launceston either late afternoon/early evening or the next morning. To know if we are going to Launceston/Lake St. Clair, please check on the list above. If you would like to travel with us please phone us on our **mobile** number at the latest 2 hours prior to our departure before we depart. We will pick you up at your accommodation on the morning of departure.
